Dear Ms. Lambert:

RE: Tourist Area Designation

The Elgin Area Business Association serves all property owners and businesses on Elgin Street. In fact, all businesses and all property owners but two are members.

An application will be submitted by one of our vice-presidents, E. Goldstein for Elgin Street north of Gladstone Avenue to receive a Tourist Area designation. We wish to confirm that the foregoing proposal has the unanimous support of the Elgin Area Business Association. We trust that Elgin Street north of Gladstone Avenue will be designated a Tourist Area in the immediate future. Thank you in advance for your co-operation.

Yours truly,

ELGIN AREA BUSINESS ASSOCIATION
